

SELECTLINE READY FIT

10L

- Ready to use: saves time and water
- Superb coverage and wear resistance
- Top-quality white pigment
- Economical in use

APPLICATION

Shake the can thoroughly before use. Install the can in a suitable line marking machine. Selectline Ready Fit can be applied with the Selectliner, the Easyliner or a machine equipped with a pump-generating over 3 bar (45 psi) and a suitable hollow-cone nozzle.

GENERAL USE

- Soccer: starting at 2.5 liters/field.
- Rugby: starting at 3.5 liters/field.
- American Football: starting at 9 liters/field.

AFTER USE

- Rinse the entire marking machine and flush the system with Selectline Cleaner, followed by water (see instructions Selectline Cleaner).
- Disassemble the nozzle and clean it thoroughly.

GENERAL INFORMATION

- Suitable for all sports that are played on natural grass.
- Whiteness will depend on type of nozzle, pump pressure and walking speed.
- Keep from freezing.

ENVIRONMENT AND SAFETY

- Selectline Ready Fit is safe for the environment.
- Empty cans can be delivered at your local waste disposal company.

EUH208: Contains mixture of 5-chloro-2-methyl-2H-isothiazol-3-one [N°CE 247-500-7] ; 2-methyl-2H-isothiazol-3-one [N°CE 220-239-6] (3 : 1) ; 1,2-benzisothiazol-3(2H)-one. May produce an allergic reaction.

EUH210: Safety data sheet available on request.

EUH211: Warning! Hazardous respirable droplets may be formed when sprayed. Do not breathe spray or mist.

For natural grass

Shake can

No water needed

Use hollow-cone nozzle

Keep from freezing
